

CONFIRMATION POLICY

Due to the amount of patients that have been waiting to be seen in our office for consultations or treatment, all appointments must be CONFIRMED by 1:00pm the work day prior to your child's scheduled appointment.

If the appointment is not confirmed, it will be taken out of our schedule and replaced with another patient.

We encourage all of our patients to update contact information at every visit, so you are ensured a phone call from our office staff to confirm your child's appointment.

Thank you for your cooperation in this matter,

The Staff
at Great Beginnings Pediatric Dentistry
